

# Communications

## Announcements

There are several places that you can access Announcements. Announcements can come from your instructor or from Blackboard Administrators (such as when Blackboard is going to be unavailable).

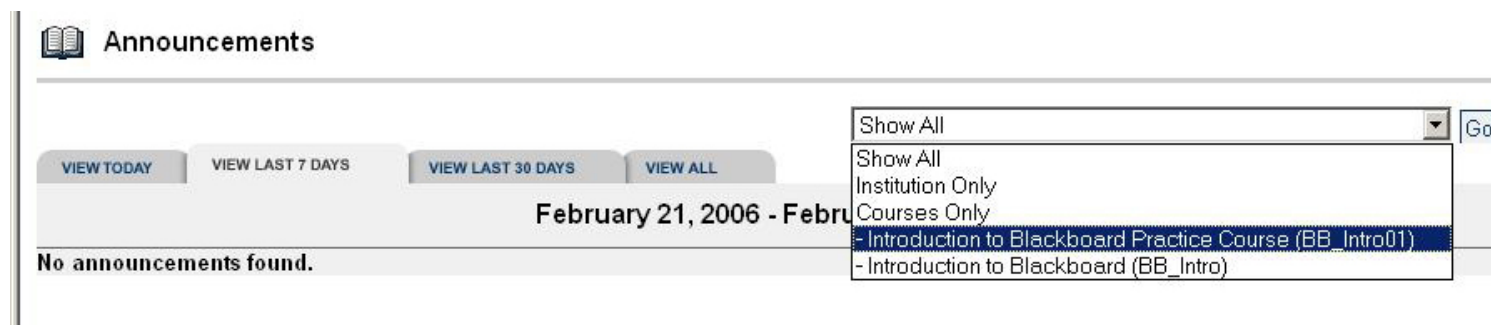

From the My Blackboard Tab, you can view announcements in the My Announcement box.

You can also access announcements from individual classes by clicking on the Announcement link in the Tools box:

Using the drop down box, select which course(s) for which you wish to view the announcements

You can also view Announcements from each individual class.

Click on the class link. The class opens to the Announcement page.

Accessibility information can be found at <http://access.blackboard.com>.

If your instructor has the course opening to a different page, you can still access the Announcements through the Course Menu on the left side of the page.

Click the **Announcements** link to go directly to the Announcement page.

You can also access the Announcements through the **Communications** link.
