

Navigation Area

The navigation area consists of the series of buttons located along the left side of the screen. Selecting any of these buttons will take you to the corresponding area of the course. Your course may look different than this.

Button Name	Description
	Displays announcements, updates, and other reminders relevant to the course.
	Locate all the information you normally find in an instructor's course syllabus in this area.
	Displays specific information about your instructor.
	Holds the majority of information for your course such as lectures, handouts, and other related materials.
	Contains course assignments, tests, quizzes, and surveys required for the course.
	Contains one link to the Discussion Board, the student roster, and e-mail.
	Displays any discussion board forums your instructor created.
	Your instructor may put you into groups for specific assignments.
	Your instructor has the ability to add links to specific web sites relevant to the class.
	This area holds the tools you need to view a course calendar, check your grade, manage your homepage, and edit your profile.
